## Meal Tickets

We take pride in hosting a great post race awards ceremony. In fact, the 2014 Algonquin Outfitters Muskoka River X was voted best Post Race Party in Eastern Canada! A delicious post-race feast of **Smokey Bandit BBQ Ribs, Chimichurri**

**Marinated Grilled Chicken and Baja Spiced Grilled Mahi Mahi along with corn on the cob, baked potatoes, home-made potato salad, pasta salad, mixed bean salad and greens and fresh rolls awaits everyone who races the River X.**

If family, friends, or cheerleaders are joining you, get them a meal ticket so they aren't sitting there drooling over your dinner plate. Let us know how many you need. Reserve your meal tickets now.

[Buy A Meal Ticket](#)

## Volunteering

The MRX could not happen without a team of dedicated volunteers. We very much appreciate all the help they give us. Volunteers fill many functions on race day including monitoring road crossings, staffing checkpoints and waypoints, photography, and even safety. Many of the volunteers are family/friends of teams since volunteering gives them an up-front and personal perspective of the race and allows them to cheer on their teams at critical points along the course. All volunteers receive a full kit that includes custom race shirts and a full meal at the

post race awards ceremony. For those volunteers who provide multiple roles throughout race day we also provide lunch, dinner, or both depending on their schedule. If you are competing in the MRX and have a friend or family joining you, consider having them volunteer!

We still need a few additional volunteers. If you would like to put a name forward send us your details.

## 2016 Algonquin Outfitters Big East River X

**June 18th was another great day on the water!** With 86 teams and 131 paddlers on the water the Big East continues to grow in popularity. Mother Nature graced our day with light winds and sun. The water levels were lower than last year but that just made things all the more exciting on the river. It is wonderful to see marathon and longer distance paddle racing grow in popularity across all demographics.

Walking around before the race you could easily see parents getting their kids ready for the 9km race next to serious amateur and professional ultra-distance paddlers. New faces and old friends, we (Rob and Mike) want to thank everyone for continuing to support the Big East River X. We hope everyone had fun on the water and enjoyed themselves with a day of friendly competition. See you all next year!

## 2016 Ontario Ultra Paddling Point Series

Official 2016 OUPPS standings now posted. Follow the link below. The Algonquin Outfitters Big East River X was a fun day on the water. It was really great to see a lot of new people taking on longer distances and mixing it up with the more experienced paddlers. 109 paddlers are now officially ranked after only the 1st of 4 races. Ultra distance paddling in Ontario looks healthy, strong and growing.

Next on your list?
